Author's Note

I Have Devoted My Visit To This Planet To The Resurrection Of The Mentally Dead. Never Did I Know That The Evil One Had Done Such A Great Job With These People Both Mentally And Physically As To Have Them Hate Self And Kind. My Greatest Dilemma And Hindrance Has Been The Black Devil. Born Amongst You, Married To You, Socializing With You, Praying In The Same Sacred Houses Of Worship As You, But Secretly Has A Spiritual Pack With The Devil Which Makes It Near Impossible For Them To Totally Surrender To **Nuwaupu**. But, For The Few Chosen From The Many Called, I Sift To Find Those Beings That Wish To Become One With The Supreme In All. So I, The **Supreme Grand Hierophant: Amunnubi Raakhptah**, As I Am Known Throughout The Mystical Schools, The Incarnation Of **Tehuti** "Thoth" Student Of The Great **Tum**, Known As **Atum-Re**, The First Point Of Resurrection From Ignorance To Right Knowledge, Right Wisdom And The Right Overstanding, I Have Blended In With Each Of The Religions Most Interesting To My People. I Lived As One Of Them And Practiced As One Of Them, In Order To Reveal The Misconceptions Of These Doctrines That Have Plagued And Diseased The Minds Of My People. Amongst The Arabs Of **Al Islaam** In The Degree Of **Muhammadism**, I Was Known As As **Sayyid Issa Al Haadi Al Mahdi** Or Simply **Imaam Isa**. Being Fluent In The Many Dialects, As Well As, The Classical Arabic Language, I Translated Word For Word Without Biasness Towards The **Islamic Religion**, The **Qur'aan (Koran)** Into English. I Sat Beneath The Great **Shuyuwkh** As A Student, One Of Which Was **Mahmoud Muhammad Mahmoud** And The Great Master **Karama Shaikh Al Hasoun** Of The **Khalwatiyya** Order Of **Sufis** Out Of **Sudan** As A **Mahdiyya** Or **Ansaar**.

Amongst The **Hebrew Israelites**, While In The Degree Of **Mosesism**, I Was Known As **Rabboni Yashua' Bar Ha Hady**. As A Hebrew, I Was Bar **Mitzvahed** By The Great **Rabbi: Matthews** Of Harlem. Through The **School Of Judaism**, I Translated The **Torah** And The **Psalms** From The **Ancient Hebrew** Into **English**.

Amongst The **Christians**, In The Degree Of Christism, I Was Known As **Reverend: Malachi Z. York-El** Or **Dr. York**. Through The **School Of Christism**, I Translated And Explained The Book Of Revelations From The **Galilean Arabic** And The **Ancient Greek**. In This Day And Time, I Received A **New Holy Tablet**, Our Own Scripture That Each Day, As Scientist, Astronomers, Paleontologists, And The Likes, Uncover New Evidence, Confirms That It Was Indeed Divinely Inspired. This Is Not Merely A Book, But A Revelation And A Holy Scripture With Prophecies Of The Future Which Are Manifesting Daily.

Being Also A **Moor**, I Re-Wrote The **Moorish American Koran Circle 7**, And Published It. Their Connection With The **N.O.I. "Nation Of Islam"**, Known As The Black Muslims, Encouraged Me To Do An In-depth Study Of The Teachings Of **Master W.D. Fard**, Allah In Person To His Final Messenger, **The Honorable Elijah Muhammad**. I Released Several Books Explaining In-depth Their Doctrine, Which Led Me To Another Ex-Member Of The Nation Of Islam Called **Clarence 13X**, A Self-Styled Allah Who Founded The **5 Percent Nation Of Gods And Goddesses**. I Collected Data And Published **The Problem Book**, Which Is Their Interpretation Of The English Class Lessons Of The Nation Of Islam. Also, I Translated The Book Of The Coming Forth By Day, Called The Egyptian Book Of The Dead From Hieroglyphics. I Felt It My Duty As The True Reformer And Savior To My People To Make That, Which Is Unclear, Clear.

I Have Also Revealed The Doctrine Of Those Called The Hebrew Israelites, And The Likes.

I Have Traveled The Rough, And Rugged Path Of **Freemasonry**, **Ancient Free And Accepted 33⁰ Worshipful Master Of Rameses II Lodge No. 9 In Eatonton G.A.** And Called All Those Standing In The Hall As **Princes** To Step Into The Room As **Kings**. My Travels Took Me Throughout The World Sitting With The **Mystics** And The **Monks** Under The Tibetan Master **Lama Mott Kokom** Of **China**. As The **Supreme Grand Hierophant** Of The Ancient Egyptian Order, **Rameses II Temples Of** The World, I Stepped On To The White Lodge From The Black As **Tehuti** "Thoth", Possessor Of The Masters Key, Keeper Of The Secret Word. I Am A Companion Of The Great Hierophant: **I-M-Hotep**, The Scribe Of The Secret Doctrine, Conferrer Of The **720 Degrees** In The **Secret Number 9**, And The Guardian Of The **9th Gate**, Raising From The Ninth Chamber, The Secret Which Will Give You The Power To Re-Align Yourselves. I Was There, Which Is Here, When The Word "Let There Be Light" Was Uttered. I Have Stood The Test Of Time. I Have Been Questioned By Scholars And Historians Of All Religions And Denominations. I Am Capable Of Answering The Unanswered And Solving The Problems Of The World, Yet, My Personal Interest Is In Each And Every One Of You. I Have Resurrected In The West, The Ancient Fraternity **A.E.O.**, With Healing In My Wings, The Spiritual Order Of Our Ancestors, The Egyptians, And Your True Bloodline Under The Reincarnation Of **Neter: Amunnubi Raakhptah**, Your **A'aferti** "Pharaoh" For This Day And Time **"Atum-Re"**. I Have Experienced All The Religions And Sacred Orders, And Now, I Bring To You, **The Ancient Egyptian Order**, The True Order Of The **Egyptian** That Which Gave Birth To All Others. Become A Part Of The Fastest Growing Movement For World Peace Of The New Millennium. You Have Found Your Way To That Which You Have Sought All Your Life. **Don't Believe A Word I Say, "Check It Out For Yourself".**

Only Fools Duck When The Truth Is Thrown At Them

Many People Today, Especially **Tama-Reyeaat** **"Egiptians"**, Take On New Names. Their Reasons May Be Religious, Political Or The Rediscovery Of One's Heritage Or Cultural Background. In Some Cases, The Parents Will Not Change Their Own Names But Will Give Their Children Creative African, Aramic, Syriac, Egiptian And Nuwaupic Names. The Masses Who Are Ignorant Of The Greater Spiritual Reality, Develop Pride Because They Come From A Certain Religion, Family Or Country And This Pride Is Carried Into Their **Renaat** 'Names'.

Every Time **Pa Renaat** "The Names" Are Mentioned, It Is A Reinforcement Of That Pride And Egoism. "How Wonderful Am I To Be A Part Of The Muhammadan Clan", And So On. Little Do They Realize That While They Are Frolicking In The World Of Their Own Creation, They Are With Earth's Many Lights Called Religion, Blinding Them To The Greater Reality That Is About Them. They Are In Fact Accepting Something That Is Fleeting And Illusory That Leads To Endless Frustrations, Worries And Stress Over The Higher Reality, Which Is Transcendental, Eternal, And Truly Fulfilling. A **Ren** "Name" That Relates You To The World Of Egoism, Materialism And Ignorance Is Indeed A Misfortune. This Is The Degradation Of The **Ba** "Soul" That Is Caused By Spiritual Ignorance. The Supreme Beings Also Felt That Until You Receive Your Name, You Are Dead, Therefore I Renamed You With A **Tama-reye Ren** "Egiptian Name".

In Ancient Egipt, The **Ren** "Name" Of An **A'aferti** "Pharaoh" Did Not Merely Label A Person Or Thing, It Formed A Profound Element Of Identity Itself. **Renaat** "Names" Of **Uraat** "Rulers" Carried Particular Force, Because The Ruler Of Egipt Acted As An Early Earthly Counterpart To The Sun **Supreme Being Re** Or **Ra**. The Name **Ra** Is What The Greeks Call Him, Which They Took From The Original Egiptian **Ren** "Name" **Re** As The **Egiptian** Call Him. At His Ascension To The Throne, The **A'aferti** "Pharaoh" Took Many Titles To Express His Divine **Gadur** "Power". These Titles And Their Birth Names Were Inscribed Inside Of What Is Commonly Known As A **Cartouche**.

Guess What Is A Cartouche And It's Significance In Ancient Egipt?

Ans: First Let's Define The Word ***Cartouche*** According To ***"The American Heritage Dictionary"***?

car·touche or **car·touch** (kär-tōōsh′) *n.* **1.** A structure or figure, often in the shape of an oval shield or oblong scroll, used as an architectural or graphic ornament or to bear a design or inscription. **2.** An oval or oblong figure in ancient Egyptian hieroglyphics that encloses characters expressing the names or epithets of royal or divine personages. **3.** A heavy paper cartridge case. [French, from Italian *cartoccio*, paper cornet, from *carta*, card, paper.

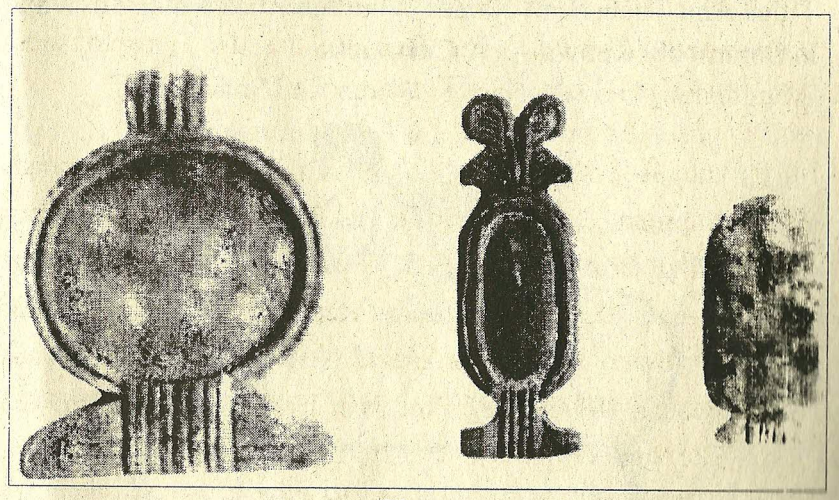

Figure
Pa Shenuaat *"The Cartouches"*

The Word **Cartouche** Is A French Word Meaning ***"A Heavy Paper, Cartilage Case".*** This Is Not The Original Name Of This Amulet, But Merely An Obvious Description Of What French 'Explorers' Found When They Invaded Egipt. A

Cartouche Is An Elongated Version Of An Ancient Egiptian Amulet Called The **Shen.** When It Was Elongated, It Was Called The **Shinu,** Which Is A Symbol Of Eternity, Seen On The Top Part Of The Ankh Symbol. The Cartouche Represents A Rope Of Sunlight Or Life Force Into The Form Of A Circle. It Is The Most Impregnable Structure To Protect One's **Ren** "Name" Against Attack, Illness, And For Good Health. The Inscription **Ren** "Name" Or Title Within The **Shinu** Or **Shem** Is Called The **Ren**, Which Is An Ancient Egiptian Word Meaning ***"Name Or Attribute" And Represents Eternity.*** The **Ren** Relates To Consciousness Manifesting Through Names, Words And Sound Itself.

It Is The Seventh Amulet Of Which **Nut** of The Enneads (Nine Supreme Beings) Held In Her Left Hand. It Was Worn As A Ring Or Seal, Stamped With The Inscription Of The **A'aferti-aat** "Pharaohs". It Also Represents The Great Year Of The Divine Court Of **Asaru** (Osiris, Usir). The Word **Shem** Means ***"Up There",*** And Is A Hebrew Word Borrowed From The Sumerians, Who Got It From The Egiptians – **Shen**, ***"Eternal Spirit".*** They Replaced The **"N"** With The **"M".** As The **"M"** In The English Word Morning. Another Name For **Shinu** Is The Name Of The Passenger Crafts Released From The Nibiru Of The Sumerians, Meaning ***"Planet Of The Crossing"***; The Sky Boat **Mandjet** Of Egipt, Thus The Shinu Also Represented The Craft Of The **Ba** "Soul', In Ancient Egipt.

The **Shinu** Is Also A Hieroglyphic Letter , Which Depicts The Sun Rising Between Two Hills. It Is Also Interpreted As That Of A Dam Thrown Across The Nile, Which Forms A Lake Of Life Giving Waters. The Upright Is The Nile, The Cross Bar Is The Dam, And The Loop Is The Lake. It Is Another Symbol Of The *"Little People"* That Planted Life On This Planet, And The Top Part Of The **Ankh** "Life".

The **Ren** "Name" Is An Essential Attribute To The Personification Of A Being. You Cannot Exist Without A **Ren** 'Name'. Everything That Comes Into Existence Receives A **Ren** 'Name'. The Ancient Egiptian Symbols That Signify A **Ren** 'Name' Are The **Fam** ***"Mouth"*** And **Mu** Or **Moya** ***"Water"*** Symbols As Shown In The Diagram Below.

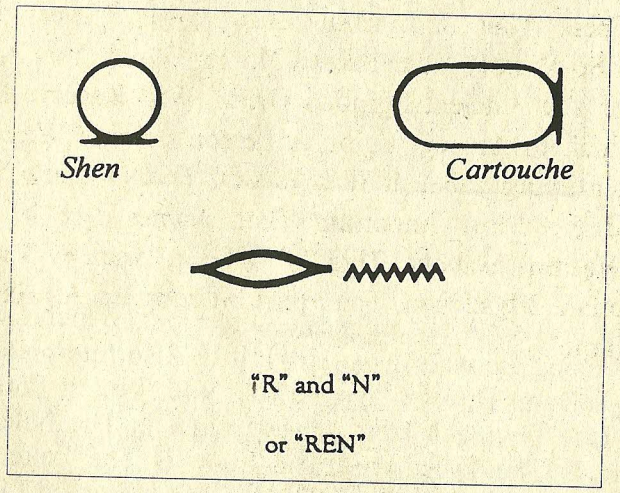

Diagram
The Ancient Egiptian Symbols That Signify Ren 'Name' Are The Fam "Mouth" And Mu "Water"

The **Ren** *'Name'* Is Sometimes Found Encircled By A Rope Of Light Called A **Cartouche**. The **Ren** 'Name' Plays A Shaping Role In The Life Of The Person As A Mere Label For The Purpose Of Identification. The Names Written On The Cartouches Were In Hieroglyphics In Oval Rings.

Renaat "Names" Are Very Important Because They Relate To The Essence Of An Object, Idea Or A Person. This Means

That A Name Is An Essential Part Of The Existence Of A Thing. Otherwise, Without A Name, It Does Not Exist. And Conversely Without Coming Into Existence, It Does Not Receive A Name. This Is Why You Should Give Back The Tama'hu's Name. If One Has Knowledge Of One's Sacred Name And It's Meaning And Knowledge About Tones Of Names, Then That Individual Has Power Over That Individual. So Protect Your Sacred Name, Which You As A Member Of The Ancient Egiptian Order, Will Receive In A Special Ritual. In Ancient Egipt, A Person's Name Was Not Just An Identifying Label, It Was Part Of That Person's Very Being And Far More Important Than Names Are In The Modern, Western Society. This Is Why In Ancient **Tama-Reye** 'Egiptian', Mysticism, The Spirit Is Regarded As Having A ***Ren*** "Name".

Figure
This Box In The Shape Of A Cartouche Had Tutankhamun's Ren 'Name' In Cameo Fashion Written On The Top

Just The Fact Of Mentioning The Ancient Egiptians' Names, No Matter How You Might Pronounce Them, Means That They Are Remembered. This Was Considered Essential If Their Spirits Were To Survive Into The Next Eternal Life. As Their Name Lives, So Do They.

There Are Also Coffin Texts That Are Actually Written Inside And Inscribed Inside And Out Of The Coffin Of The Mummy, To Further Ensure The Safety Of The Soul Of The Deceased. Notice The Eyes On The Outside Of This Coffin.

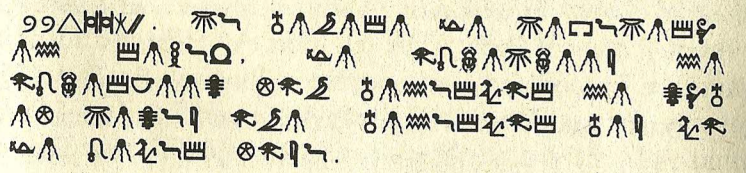
In The Relative World, Things Get Names. But From The Transcendental Point Of View, They Really Do Not Have Names. This May Sound Paradoxical, And Yet It Is True. When You Have A Dream, You Dream That Objects Come Into Existence In Your Mind And During That Time, They Have Names And Forms. The Mind Learns To Call Objects By Names. For Example, A Chair Is An Aggregate Of Matter Just Like A Rock. However, The Mind Has Learned To Call It A Particular **Ren** 'Name' And Associate The Name "Chair" With A Particular Function That Is Different From The Rock.

However, Upon Waking, The Objects And People Of The Dream Are Discovered To Have Been Illusory. So Did They Really Exists And Were Those Names And Forms Real? No. But This Is The Transcendental, Absolute Point Of View. In

Reality, The World Is As Illusory As A Dream, But In The Relative World, Things Get Names So As To Assist The Mind In Working With, And Overstanding Them In Order To Ultimately Transcend Them. The Spiritual Use Of **Pa Renaat** *"The Names"* Comes In When A Spiritual Aspirant Uses The Names As Words Of Power To Relate The Objects (Him Or Herself Included); It's All About Tones. According To *The Sacred Records Of Neter: A'aferti Atum-Re,* **Chapter 1, Scroll 1, Verse 296-297**, It States:

296. *Fi Tama-Re, Huhi, ash kalun Hu, aw Huwa kalana tabus pa istajsaam shil "haguhane", kar ash pa mustakhaneem Ptah, menu kalana khasus amma mustakhaneem shil pa maduy dunya wa neter shil fanunkali bumela hazi shaghul.*

296. *In Egipt,* ***Huhi****, which is* ***Hu****, or* ***Huwa*** *was considered the personification of "utterance", with which the creator* ***Ptah,*** *who was regarded as creator of the physical world and deity of technology done its work.*



297. *Hu kalana pa haguhane aw naghum, pa istahtaar wa istanbaad shil kawunfin wa dek ash hadur ila kawunfin karfi pa safun shiru.*

297. ***Hu*** *was the utterance or tone, the vibration and pulsation of existence and that which comes to existence within the sacred breath.*

Your Name In Your Own Language Is Tailored To Your Soul. Learn **Nuwaupic;** Speak It; It's In Your Tones To Higher Spiritual Principles Which Will Lead To Perfection. Then The Name Takes On A Special Meaning And Every Time It Is Uttered In Tone, It Is A Meditation On That Divine Principle Or Higher Truth That Vibrates Within You: The Three Tones **Atum (𓅱𓅓𓏏𓀭) - Atun (𓅱𓅓𓏏𓄿)** - And **Amun (𓅱𓇋𓏏𓄿)**. This Meditation Bestows Power On The User When The Wisdom Behind The Name Is Correctly Overstood.

When You Learn Your Nuwaupic Name, Use It Correctly. In Ancient **Tama-Re** "Egipt", There Were Many Preferences For Lineage Names, Family Names Such As **Rameses, Rameses I, Rameses II**, Ect.

The Jews And Muslims Got Words Like **Ben** (בן) And **Ibn** (Kfh) From The Egiptian Word **Ben** *"Son"*, **Etc**. That Is, The Son May Not Necessarily Have The Name Of The Parents And So On, However, There Should Be A Link. People Are Individual Souls Incarnating, And Therefore They Are On Different Paths In Their Spiritual Journey. Thus, The Names Should Be Tailored To The Specific Individual. Also, As The **Supreme Beings** (Cosmic Forces) Are The Underlying Force Behind All The Names Should Be Related To This Reality

Rather Than To Illusory Realities Created By Human Beings (Human Given Names Such As Paul, Joe, Dale, Martha, Ect.).

These English Names Hold No Meaning. The **Ren** "Name" Can Be Arrived At, Through The Use Of Oracles Or Meditation Or Through Spiritual Instructorship. When Names Are Given By These Means; It Is Charged With Spiritual Prospector. It Carried A Special Energy **Sekhem** *"Power"* Which Is Imbued Into It By The Instructor Through The Teaching Of **Pa Neb** *"The Master"*.

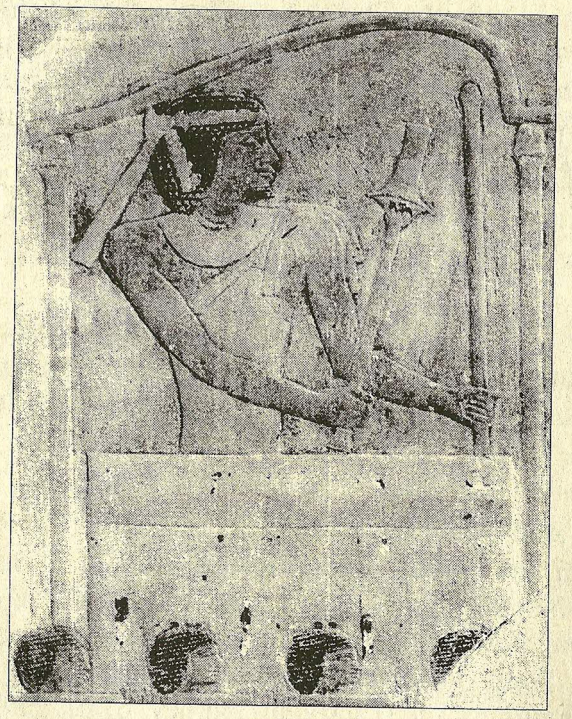


Figure
The Sekhem Staff Of Power Which Is Held By Pa A'aferti "The Pharoah"

The Christians Put Emphasis On Their Names Because In The **King James Version** Of The Bible, In The Book Of ***Matthews 6:9*** It States: *"Our Father Which Art In Heaven, Hallowed Be Thy Name"*. The Greek Word Being Used In This Quote Is On-Om-Ah (ονομα) Meaning "Name". By This Quote Alone, You Know Names Are Important To All People, It Doesn't Matter About Their Religious Backgrounds, Because All Religions Have A Naming Ceremony, Which Originated In Egipt, Where They Give Their Sons, Daughters, Mothers Or Fathers Names That They Hope They Can Live Up To. For Instances, Names Like Paul And Ahmad, Which People Are Constantly Being Named. According To The Bible In ***Acts 13:23, John 4:42,*** And ***Luke 2:11*** Just To Name A Few, **Yashu'a** "Jesus", Whose Original Egiptian triad of Names Was **Haru, Heru, Horus**, The Supreme Being, The Son Of God Was Called The "Savior" Many Times. However, The Fact Is That Jesus Never Saved The People Of The House Of Israel.

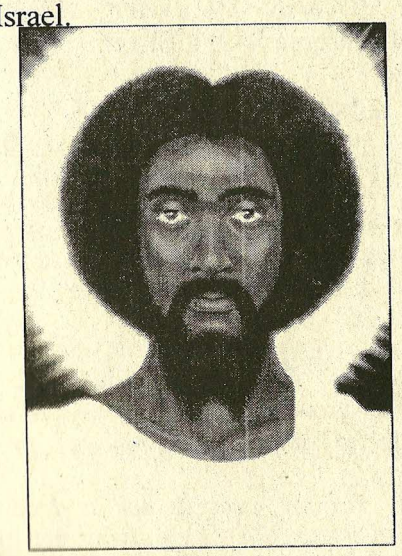
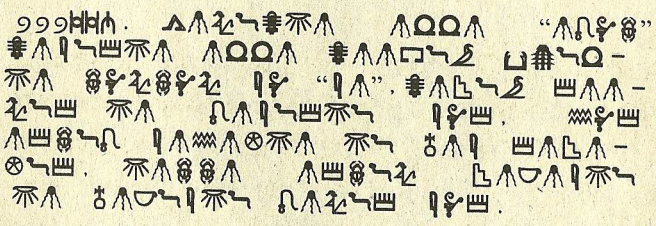


Figure
The Messiah Yashua "Jesus"

However, You Are Supposed To Name The Child Something You Are, Just Like Any Other Objects, You Name It For What It Does, You Try To Give It Foreign Names; For Instance A Pencil Is Known As A Lead Pencil And Then It Becomes A Pencil, And Cars Were Known Long Ago As Automobiles, Now You Just Call It A Car, Planes Were Known As Airplanes, Now You Just Call Them Planes.

That Is Why **Pa Tama-Reyeaat** *'The Egiptians'* Were Known As Having A Sacred Password That Gives Certain Rights As You Know It. The Egiptians Therefore Considered It Necessary To Have Two Names. The Tama-reyeaat *"Egiptians"* Had What You Call The *"Big Name"* And The *"Little Name"*, Or The *"True Name"* And The *"Good Name"*. They Kept Their "Big True Name" Secret, Because It Was Their **Ren,** And Their "Good Little Name" Was Their Nickname And Was Part Of Their Living Being. According To ***The Sacred Records Of Neter: A'aferti Atum-Re,*** **Chapter 1, Scroll 1, Verse 349**, It States:



349. Thafudha amma "Aset" darunha amma daagul a'zumha teftef Re "Ra", dakhul naafun ha sarunhu ren, wen antus rawashha hu kar nakhashun, hatta antuf khabarhu ha kaburhu safun ren.

349. *Her role as "Isis" records her as deceiving her great grandfather* ***Re*** *"Ra", into giving her his secret name, where she poisoned him with a snake, until he told her his big sacred name.*

Some Societies Still Maintain The Fact Of Not Revealing One's Sacred Name Except To The Tribal Chief And To The Closest Family. Names Can Be Used To Send Disembodied Souls Out Of People As In The Form Of A Curse Or Plague. Large Groups Of People Can, By Contemplating Or Chanting On One Thing Tear Down Walls, As In The Walls Of **Jericho,** Which Was Torn Down By Vibration, Or Send Out Positive Or Negative Power Forces. Every Body Should Have A Secret **Ren** 'Name' Which Is Known To Only Few, And Then Have A Name They Go By Every Day. The Egiptians Believed That *"The Ren 'Name' Of A Man Is Believed To Exist In Heaven, Thus,... The Whole Man Consisted Of A Natural Body, A Spirit Body, A Heart, A Double, A Heart-Soul, A Shadow, A Spirit-Soul, And A Name."* ***The Book Of The Dead, By E.A. Wallis Budge, Page 81.***

Ques: How Did The Tama-Reyeaat 'Egiptians' Go About Having Their Naming Ceremony?

Ans: The Naming Ceremony Was Conducted In Secret. The Child's Fate Was Bound Up In The True **Ren** 'Name' And His Character Was Influenced By It. After It Was Conferred, A Nickname Was Used, But The True Ren 'Name' Was The Grave Name And Was Uttered When The Welfare Of The Spirit Was Secured By The Utterance Of Magical Spells, Which Opened The Way In The Land Of The Dead. When **Aset** Obtained The Secret **Ren** "Name" Of **Ra**, She Became His Equal.

Ques: Exactly How Did Aset Obtain That Secret Name?

Ans: The **Supreme Being Re**, The Self-Created Being, Who Made The Heavens Or **Le-Ulaat** "Skies" And **Ta** "Earth" And **Nefuaat** "Winds" Which Give Life, And **Set** "Fire" And **Pa Neteraat** "The Supreme Beings" And **Enoshaat** "Mens", And **Behaymahaat** "Beasts", And **Menmen** "Cattle" And **Ramusaat** "Reptiles", And **Pa Fawul** "The Fowl" Of The Air And **Nanut** "Fish" Of The Sea, Who Willed His Own Birth From The Primordial Waters Of The **Supreme Being Nun**. **The Supreme Being Re** Was An **Ura**, "Ruler" Of Men And Of Pa Neteraat "The Supreme Beings", He Had One Period Of Life And With Him Periods Of One Hundred And Twenty Years Each Are But As Years. This Is Where The Quote In The Torah, **Genesis 6:3** Gets It From; Where It Says: *"And The Lord Said My Spirit Shall Not Always Strive With Man For That He Also Is Flesh; Yet His Days Shall Be A Hundred And Twenty Years."*

The So-Called Holy Books Of Religions Today, Are Filled With **Tama-Reye** "Egiptian" Mysteries. Many Of The Names Of The Supreme Being **Re** Are Manifold And Unknown. Not Even The Neteraat "Supreme Beings" Know. Re Is Where All The Supreme Beings Of Religions Stem From Such As, Thehos Of The Christians, Yahweh Of The Jews, And Allah Of The Muslims, As Well As The Creation Stories And The Many Names Originated From **Tama-Re** "Egipt".

Aset's (Auset, Isis) Knowledge Of **Tama-Reye** "Egiptian" Magic Was Vast But She Constantly Wished That She Was Greater And Knew More. She Was Very Respectful Of Her Grandfather's Knowledge, Who Was The Wisest And Most Practiced In Ways Of Magic, And She Meditated In Her Heart Saying,

"Cans't I By Means Of The Sacred Name Of Re Make Myself The Mistress Of The Earth? And Become A Netert, Like Unto Re And Establish Myself Upon The Throne Of The Two Horizons".

Pa Neter Re *"The Supreme Being Ra"*, Had Grown In Age. However, He Had Not Diminished In Wisdom And Had Become Old In Age. **Pa Netert Aset *"The Supreme Being Isis"*** Watched The Aging **Re,** While She Was Thinking Of Ways To Obtain The Secret Word For Herself. **Aset,** While At The Crossroads, Observed Saliva Falling From His Lip As He Fell Asleep, The **Supreme Being Aset (Auset, Isis)** Collected Some Of The Liquid. Mixing The Saliva With **Ta** *"Earth"*, She Fashioned A Serpent. Using Her Powers She Transformed It Into An Arrow And Hid It Beneath The Path Over Which The **Neter Re** Passed Everyday. As **Pa Neter Re *"The Supreme Being Ra"*** Passed Going To See All Of The 12 Nomes Of **Tama-Re *"Egipt"*** Of Old, The Arrow Sensed **Re's** Presence, And Sprang To Life. And The Fangs Of The Clay Serpent Bit Deep Into The Leg Of **Pa Neter Re *"The Supreme Being Ra".***

The Flame Of Life Departed From Him. The Great Supreme Being *"Deity"* Fell To The Ground Writhing In Agony. The Company Of The **Supreme Being Re (*Ra*)** Wondered What Happened. The Poison Spread Swiftly Through The Flesh Of The **Neter *"Supreme"***, Just As The Nile Rushes Through All Of His Land. None Could Overstand How Anything Could Overcome The Great **Re,** Since Nothing Could. The Great Neter ***"Supreme"*** Cried Unto Those Who Were In His Court, And Feared For His Life Saying:

Come Unto Me, O Ye Who Have Come Into My Being From My Body, Ye Neteraat Who Have Come Forth From Me, Make Ye Known Unto Khefri That A Dire Calamity Hath Fallen Upon Me."

The **Supreme Being Re's** Heart Perceived It, But His Eyes Could Not See It. The Effects Of The Poison Were As If The **Supreme Being Re** Had Caused The Spell Upon Himself, Which He Perceived Well, Since The Venom Was From Himself; Yet He Did Not Know Who Had Done This To Him. The **Supreme Being Re** Had Never Felt So Much Pain, Nor Sickness That Caused More Woe Than This.

The **Supreme Being Re** Called For All The **Neteraat** "Supreme Beings" Of Magic To Offer Their Amulets And Magic Formulas To Relieve Him Of The Pain That Seized His Body. All **Neteraat** ***"Supreme Beings"*** Came One By One And Offered Their Powers And Amulets, None Relieved The Effects Of The Poison. Then Pa Netert **Aset** ***"Auset, Isis"*** Also Came, Bringing With Her Words Of Magical Power, And Her Mouth Was Full Of The Breath Of Life. Her **Tamemutaat** *"Talismans"* Were Known To Vanquish The Pains Of Sickness, And Her Words Made To Live Again The Bodies Of Those Who Are Dead. **Aset** ***"Auset, Isis"*** Professed Her Effective Words Of Magical Power, And Professed To Drive Away The Effects Of The Poison Before The Sight Of Sunbeams.

The **Supreme Being Aset (Auset Isis)** Said To The **Supreme Being Re** *"O Tell Me Thy Name, Holy Father, For Whosoever Shall Be Delivered By Thy Name Shall Live."*

The **Supreme Being Aset (Auset, Isis)** Could Overcome Effects Of The Spell That She Placed On The Great Neter, So She Pressed Further For The Hidden Name, In Order To Relieve The **Supreme Being Re** Of The Poison. At First The **Supreme Being Re** Replied, *"I Have Made The Heavens And The Earth. I Have Made The Water, I Have Made To Come Into Being The* ***Netert Meh-Urt*** *:(The Female Deity Of The Place In The Sky Where Re Passes).* None Of These Were The Hidden Name So The **Supreme Being Re** Continued To Suffer From The Effects Of The Poison. The **Supreme Being Re** Still Persisted In Not Revealing His Hidden Name And Gave More Titles.

"I Have Made The Bull Of His Mother, From Whom Spring The Delights Of Love. I Have Made The Heavens, I Have Stretched Out The Two Horizons Like A Curtain, And I Have Placed The Soul Of The Deities Within Them. I Am He Who If He Opens His Eyes, Do Make The Light, And If He Closes Them, Darkness Comes Into Being. At My Command The Nile Riseth, And The Neteraat Know Not His Name. I Have Made The Hours, I Have Created The Days; I Bring Forward The Festivals Of The Year, I Create The Nile-Flood. I Make The Fire Of Life, And I Provide Food In The Houses. I Am Khepera ("The Arising One", Scarab Beetle) In The Morning, I Am Re (Ra, The Seer) At Noon, And I Am Temu (Immortality) At Evening."

All The While The Poison Was Not Taken Away From His Body; But It Pierced Deeper, And The Great Neter Could

No Longer Walk. All Of These Were Not The Secret Name And The Pain Of The Poison Continued.

Aset *"Auset, Isis"* Rebuked **Re** Telling Him That All That **Re** Had Said, None Has Been His **Amun Ren *"Hidden Name"***, And Unless He Told Her, The Poison Would Not Depart From Him, For Whosever's Name Is Revealed Shall Live. Now The Poison Burned Like Fire, And It Was Fiercer Than The Flame And The Furnace. Finally, **Supreme Being Re** Consented That **Aset *"Auset, Isis"*** Could Know The Name. The **Supreme Being Re** Shielded Himself And The **Supreme Being Aset** From The View Of The Other **Neteraat *"Supreme Beings"*** His Place In *The Boat Of Millions Of Years* Was Empty. When The Time For The Heart Of **Re *"Ra"*** To Come Forth **The Supreme Being Aset** Spoke To Her Son **Haru (Heru, Horus),** Saying: *"The Neter Hath Bound Himself By Oath To Deliver Up His Two Eyes Such As The Sun And Moon.* This Is In Reference To The Two **Usa-Aat *"Eyes"*.**

Thus, Was The Name Of The Great **Re** Taken From Him, And **Aset**, The Lady Of Words Of Magical Power Said:

> *"O Utchat 'Eye Of Haru', Go Forth From The Neter, And Shine Outside His Mouth. It Is I Who Work, It Is I Who Make To Fall Down Upon The Earth The Vanquished Poison, For The Name Of The Great Neter, Hath Been Taken Away From Him. Let Re Live, And Let The Poison Die! Let The Poison Die, And Let Re Live!"*

These Were The Words Of **Aset**, The Mighty Lady, The Mistress Of **Pa Neteraat *"The Supreme Beings"***, Who Knew

Re By His Own Name, Although It Was Only Part, It Was Enough To Relieve The Effects Of The Magical Formula Of The **Supreme Being Aset (Auset, Isis)** And Grant Her Powers Over The Other **Neteraat *"Supreme Beings"***, While Not Surrendering Completely. This Is How Aset Obtained The Magic Name Of **Ra "Re"**.

In The **Book Of The Dead, In The Papyrus Of Ani, Chapter XXV, Page 436**, It States:

"The chapter, which maketh a man to remember his name in khert-neter. [The deceased] saith:-- let my name be given to me in the great house ((per-ur), and let me remember my

name in the house of fire (per neser), on the night wherein the years are counted up, and the number of the months is told. I am dwelling with the divine one; I take my seat on the eastern side of the sky. If any god cometh after me, I shall be able to declare his name forthwith."

However, A **Ren** 'Name' Is What You Are Or What You Hope To Become. A **Ren** 'Name' Can Also Represent The **Supreme Being** "God" That You Are. Euro-American Names Are Nick Names And Were Given To **Tama-reyeaat** "Egiptians" (That's You), By Your Enslaved Parents, To Be The Knife Which Cut Us Away From Our Own **Land, Language** And **Culture,** Causing Us To Become Foreign To Our Own Land, Culture, Etc. When Slaves Were Brought Over To America, Their African Names Were Taken From Them, And Replaced With Their Slave Masters Names. Thus They Lost Their Identity. According To A Book Entitled, "A History Of The African American People", Published By Salamander Book Limited, Page 54, *"Plantation Slaves Also Underpinned Their Family Life With Intricate Patterns Of Cross-Generational Naming That Kept Alive The Memory Of Ancestors Separated By Sale Or Death. Thus, For Example, Of The 17 Slave Men Who Fathered Children On The Sterling Plantation In Louisiana's Sugar Country, Seven Had Sons Named After Them, And 10 Had Grandsons Named After Them. Such Patterns Of Paternal Naming Also Had African Roots."*

They Only Tell You As Far As His-Story, Which Only Takes You Back To His Time. Wherein, Our-Story Goes Back To The Beginning Of Time And Our Culture Is Rich. Everywhere In Africa, The Names Are Considered A Distinct Part Of The Individual. There Is Something Like A Material And Physical Affinity Between A Man And His Name. A

Person Can Be Hurt Through His Name, And To Avoid That, It Is Sometimes Kept Secret. It Was Once Said That To Pronounce The Name Was To Act On The Soul. To Provoke It, Is To Constrain It. Many Of The Ancient Ancestors Traditions Associated With Naming Remain A Part Of The **Tama-Reyeaat** "Egiptians" Way Of Life, And The World At Least At A Subconscious Level.

Ques: What Is A Name?

Ans: According To ***"The American Heritage Dictionary"*** ... **Name** (N^3 M) *N.* **1.** A Word Or Words By Which An Entity Is Designated And Distinguished From Others: *Some Of The Most Famous Names Of The 20th Century.* **2.** A Word Or Group Of Words Used To Describe Or Evaluate, Often Disparagingly.

Ques: Where Did The Names We Have Today Come From?

Ans: This New Slave System Was So Degrading That The **Tam'a-Hu** Took All Precautions To Completely Erase From The Minds Of Our People, Their Culture And Language. It Was At This Point That You Were Given Slave Names. The **Tam'a-Hu**, Master Would Allow The **Nubians (Egiptian Moors, Blacks)** To Keep Their Original First Name For A While In Order To Distinguish Which Slaves Belonged To Him. For Example, A Slave Named Henry Belonging To A "Master" Named John Would Be Called Henry John. His Offspring's Would Be Named After The Slave Master. For Instance, If His Name Was John, He Became Known As John-Son (Son Of John). That's Where Names Like **Mason, My-Son, Ander-Son, Jeffer-Son,** Etc., Came From. The Slave Master Would Adopt You As His Son. If You Worked Under The **Blacksmith** You Became Known As **"Smith".** If You Look Into The History Of The Language, You Will Find

People With Names Like ***Carpenter, Wood, Forest, Barnes, Taylor, Butcher, Chain, Steel, Judge, Gardener, Hill, Woodsfield Or Mr. Brick.*** After Decades Of Random Naming And Families Of Slaves Being Sold Separately, All Family Ties Were Lost!!! This Is Exactly The Way The **Tam'a-Hu** Planned It. Brothers And Sisters Of The Same Tribe With Different Masters Were Taught That They Had No Relations. As Original First Names Were Lost, They Would Sign "X" Johnson. This Was All In The **Tam'a-Hu's** Plan To Manipulate The Language And Confuse You As To Who You Really Are. Even Now You Meet People Of Different Last Names And You Say, *"She Looks Like You, You Two Could Be Brothers And Sisters. She And Her Old Man Looks Just Alike"*. Well, They Are From The Same Family. That's Right! He Could Be Your Long Lost Brother Or Sister. In The Movie ***Roots*** By **Alex Haley**, The **Tama'hu** (White Man) Had To Beat A **Nubian** (Black Man) Kunta Kinte To Get Him To Change And Accept The Name ***"Tobe".*** Nowadays, The White Man Does Not Have To Beat You, Because You Are Able To Change It Freely.

It Is Imperative That You Learn Your Original Language And Stop Making Excuses As To Why You Didn't Take The Time Out To Learn It. The **Tam'a-Hu** Took Your Name, Land And Language Away From You And I, Your **Supreme Grand Hierophant Amunnubi Raakhptah,** Am Here To Give Them Back To You. The **Tam'a-Hu** Has Made Life So Simplified That We Grab At Anything That Will Not Require A Lot Of Brainwork. This Is The Spell Of **Amnesia** Called The Spell Of Sleep **AMAM "Leviathan"** That Was Cast Upon All The **Blacks, Nubians, (Ptahites) Ethiopians-Kuwshites, Original Egiptian Moors** (The Wooly – Haired People), 4,004 Years Ago (Before 2,000 Years Ago) At The Beginning Of The First **Ah** "Moon" Cycle 6,000 Years Ago. A Deep Sleep Which Has Shattered Your Once High Level Of Pride,

Supreme Intelligence, And Supreme-like Qualities You Are Heir To.

Ques: How Should Names Be Chosen?

Ans: The Importance Of A Good Name Cannot Be Stressed Enough. When Naming An **Aru** "Child", You Should Make Sure The Name Is Constructive, As Well As Fitting. That's The Way It's Been Ever Since The Beginning Of Time And Should Be The Same Now.

Names Can Be Chosen On How A Person Looks, Reacts, Or According To Their Personality. For Instance, The **Tama-Reyeaat** (Egiptians) Were Named According To What They Did. For Example, **Anubu** Was The Supreme Being Of The Dead, So He Was Named Anubu, Meaning ***"Opener Of The Roads For The Dead, The Guide Of The Afterlife".*** **Khnum** Was The Supreme Being Who Fashioned The Human Body And Spirit, So He Was Named Khnum Meaning ***"The Moulder, Creator, Fashioner",*** **Tehuti** Was The Supreme Being Who Wrote The Laws And Recorded Every Event Of Time, So He Was Called Tehuti Meaning ***"Writing, Invention, Thought".*** **Khonsu** Was The Supreme Being Of Birth And Health, So His Name **Khun** Means ***"Placenta"*** Or ***"Traveling Soul".*** In Reality The Ancient Egiptians Has A System For Naming, Which Those Who Believe In The Monotheistic Religion Copied, And That Was Giving A Name At Three Different Points In Your Life. The Ancient Egiptians Had A **Ren** "Name" Given At Birth, Which Would Automatically Be The Family Name. Then When They Reach Puberty And Were Given An Attribute Or Title Or Occupation, Trade, Or Skill, They Were Given Another Name.

If You Look In Your Bible And Pan From The Torah To The Koran, You Will See Their Approach Toward Three Names Was How It Changed In Three Different Languages.

In The Torah You Have **Abram** (אברם), Who Became **Abraham** (אברהם) In The New Testament And **Ibrahim** (ابرهيم) In The Koran. Then Again In The Torah You Have **Mosheh** (מושי) And In The New Testament, He Became **Moseus** (μοσευς), And In The Koran They Called Him **Musa** (موسى). Then You Have **Yashua** (ישוע) In The Torah, Who Became **Jesus** In The Bible, And Then Became **Isa** (عيسى) In The Koran. What Is Most Interesting Is That All Of The Above Names Are Originally From The Ancient Egiptian Mystery Language. **Abraham** Is **Ab** = **Father**, **Ra** = **Sun** And **Ham** = **Kemet** Or **Khemet** Meaning ***"Blackness"***. Moses Simply Means Child.

Ques: How Did The Tama-Reyeaat "Egiptian" Go About Having Their Naming Ceremony?

Ans: When The Egiptians Had A Naming Ceremony, It Took Place At Three Points In The Individual's Life, And They Were Naming The **Khat** "Body", The **Ba** "Soul", And The **Ka** "Spirit" Of The Person. When You See A Name Like **Asaru** Changed To **Usir** And Then To **Osirus** Or **Aset** Changed To **Auset** Then To **Isis** Or **Haru** Changed To **Heru** Then To **Horus**, These Are Language Changes, Not Actually Different Names. It's Not Like They Are Three Different Names Of The Same Person. They Are Three Different Translations Of The Same Name Being Mispronounced Over A Period Of Time With The Attempt To Extinguish The Power Of The Tone That Would Make The Connection From This Plane Or State To The One They Reside In. It Would Be Like Dialing The Wrong Number.

The Naming Ceremony Of Ancient Tama-Re Was Conducted In A Secret Manner. The Child Was Born In Darkness. Then Brought Out To Look At The Stars As The First Thing He Could See. The Child's Fate Was Bound Up In The True **Ren** "Name" And His Character Was Influenced By It. After It Was Conferred, Another Name Was Used, But The True **Ren** "Name" Was The Grave Name And Was Uttered When The Welfare Or Good Of The Spirit Was Secured By The Utterance Of Magical Spells. Many Of The Ancient Ancestors' Traditions Associated With Naming, Remains A Part Of The **Tama-Reyeaat** "Egiptians" Way Of Life Today, And A Portion Of This Ritual Or Ceremony Is Seen In Christianity Called A ***Christening.*** In Islam, It Is Called An ***Aqiyqa***, And A Name Is Given During The 8th Day After A ***Circumcision*** Of The Hebrews.

The Significance Of Names Is Even In The Bible In The Case Of **Jacob** And **Esau**. They Were Twin Brothers But Esau Was Born With Red Spots On His Body, He Was Also Very Hairy With A Reddish Tint. His Name Meant ***"Red Or Hairy".*** Therefore, He Became Known As Esau. He Was Not Of A Different Race From Jacob, Both Of Them Were Black From **Rebecca** And **Isaac**, Who Were From The Same Family Of **Abraham**. Esau Was Just A Red Baby, Never Knowing That He Would Become The Father Of The Edomite Race. The Mentioning Of Having A Good Name Is Also In The Bible According To:

Proverbs
A Good Name Is Rather To Be Chosen Than Great Riches, And Loving Favour Rather Than Silver And Gold.
Revelation
He That Overcometh, The Same Shall Be Clothed In White

Raiment; And I Will Not Blot Out His Name Out Of The Book Of Life, But I Will Confess His Name Before My Father, And Before His Angels.

Quite Often People Are Named, Then Later On They Become Or Take On The Characteristics Of The Name. One Must Keep In Mind When Picking A Name That He Or She Must Take A Name That Is Logical So That They Can Live Up To It's Meaning. Don't Select Any Kind Of Name. We Have A Tendency, When We Find The Truth, To Become Over-Joyed And Over-Active. We Begin Adding, Changing, And Exaggerating Names. So When You Choose A Name, Make Sure That Your Name Generates Your Soul. For Instance, If You Call Yourself **Hotep** *(Peace),* You Should Have Qualities Of Being Undisturbed By Strife Or Disagreement. If Your

Name Is **Nefer Ib** *(Beautiful Heart),* You Should Have Qualities That Delight The Sense Of Sight.

Ques: Is There Anything I Should Avoid When Choosing A Proper Egiptian Name?

Ans: Besides The Importance Of A Good Logical Meaning When Selecting A Name, Proper Pronunciation And Spelling Cannot Be Stressed Enough. With An Overstanding Of Characteristics Of **The Ancient Egiptian Mystery Language,** Alphabets And It's Proper Pronunciation, One Can Fully Overstand How To Correctly Spell And Say An **Egiptian** Or **Nuwaupic** Name.

Ques: What Is The Importance Of Us Having Our Own Names?

Ans: Your **Ren** "Name" Is A Distinct Part Of You. There Is A Mental, Spiritual And Physical Affinity Between You And Your Name. An Individual Can Be Hurt Through His Or Her Name, And To Avoid This; It Is Sometimes Kept Secret. To Pronounce The Name Is To Act On The **Ba** "Soul", To Provoke It, Is To Constrain It.

European Names Were Given To **Nubians/Nuwaupians** To Be The Knife That Cut You Away From Your Own Land, Language And Culture, Causing You To Become Less Than The **Supreme Beings** That You Are. From The Definition Listed Above, A Name Is Something That Distinguishes You From Others. It Is Important For You All To Have Your Own Names Because In This Day And Time, It Is Necessary For Us To Make The Distinction Between Ourselves And The World. A Name Is Not Just A Word That Comes Out Of Your Mouth, It Is What You Are Or What You Hope To Become. A Name Is Godly. Our-Story Goes Back To The Beginning Of Time,

And Our Culture Is One Of Pride And Honor. Through The Choosing Of Egiptian Names, You Are Re-Connecting The Umbilical Cord Between You And Your Past Or Better Said, Our-Story. When Choosing A Name For You Or Your Child, You Must Carefully Study The Meaning Of That Name And Not Choose A Name Simply Because It Sounds Good Or Exotic.

Ques: You Were Known By Many Different Names, Why Did You Change Your Name So Many Times?

Ans: The **Ancient Tama-Reyeaat** ***"Egiptians"*** Had A Sacred Password That Gave Certain Rights. The Ancient **Tama-Reyeaat** ***"Egiptians",*** Therefore, Considered It Necessary To Have Three Names And Some Times Even More. This Is Why I, Your **Supreme Grand Hierophant** Has Changed My Name So Many Times Since **1970 A.D.,** When I Appeared To You In Flesh As **Amunubi Raakhptah**, The Incarnation Of **Tehuti.** I Was First Called **Amunnubi Rooakptah**, Then Became **Al Imaam Issa Al Haadi Al Mahdi** Then **Rabboni Y'shua, Murduq, Al Qubt, Al Khidr, Melchizedek,** And **Atum-Re** Then Back To **Amunnubi Raakhptah** From Hereon As I Said Before. The ***Tama-Reyeaat "Egiptians"*** Had What One Calls The ***Big Name*** And The ***Little Name,*** Or The ***True Name*** And The ***Good Name***; The ***Best Name***. They Kept Their ***"Big"*** Or ***"True Name"*** Hidden. This Is Where The Muslims Get The Best 99 Names Of Allah, And He Has One Hidden Name That Was Revealed To Us As **Huwa.** The **Sufi** Speak Of It, And The Christian Monks With *"Our Father Who Are In Heaven Holy Is Thy Name"* ***(Matthew 6:9, Luke 11:2).*** Even The Jews Can't Say The Secret Name So They Write It As **G-O-D** Or Say **Ha-Shem**. It Was The **Ren** ***"Name",*** And Their ***"Good"*** Or ***"Little Name"*** Was Their Nickname, And Was Part Of Their Living Being. **Nick** Is Short For **Tuta "Devil"**, A Short Name Given To You By Your Parents.

Renaat *"Names"* Can Be Used To Send Disembodied Souls Out Of People, As In The Form Of A Curse Or Plague. Large Groups Of People Can, By Concentrated Thought Or Chanting On One Thing, Tear Down Walls, Or Send Out Positive Or Negative Power Forces. Names Can Also Be Used To Stop People, Cure People And Their Families Or Protect You And Your Family, As The **Supreme Being BES** Does Through **The Ancient Egiptian Order.** Everybody Should Have An **Amun Ren** ***"Hidden Name",*** That They Will Receive

Through The Ancient Egiptian Order In A Sacred Ritual, Which Is Known By Only A Few, And Then Have A Name They Go By Everyday.

The Spiritual Use Of Names Come In When A Spiritual Aspirant Uses The Names As Words Of Power To Relate The Objects To Him Or Her. It's All About **Tones.** It's In One's Tones To Higher Spiritual Principles That Will Lead To Perfection. Then The Name Takes On A Special Meaning, And Every Time It Is Uttered In Tones, It Has A Certain Affect On The Individual. It Is A Meditation On That Divine Principle Or Higher Truth That Vibrates Within. That's Why

We Resurrected Our Ancient Language, **Nuwaupic.** It's A Language Of **Tones.** Learn It! Speak It! And Teach It!.

Ques: What Is The Difference Between Neter, Netert, Neteru And Neteraat?

Ans: Every Religion Has God And Their Gods. They Are Infinites In Every Language. Just Like You Say Book For Singular And Books For Plural. A Lot Of People Have A Hard Time Overstanding The Difference Between These Titles When In Actuality It's Very Simple. The Egiptian Word **Neter** *"Supreme Being"* Is A Title And Is Used When You Are Making Reference To A Male Supreme Being Or God, Such As **Pa Neter Haru** "The Supreme Being Haru". The Egiptian Word **Netert** *"Supreme Being"*, Which Is Also A Title, Is Used When You Are Making Reference To A Female Supreme Being Or Goddess, Such As **Pa Netert Aset** "The Supreme Being Aset".

To Pluralize A Word You Add An ***"Aat"*** Ending. For Example. The Egiptian Word For Supreme Beings Would Be **Neteraat,** Which Is Simply A Plural Form Of The Same Title. *Example:* The Eight **Rashunaat** *"Ogdoads"* Are The Water Supreme Beings. You Are Specifying A Group Of Beings. However, The Egiptian Word **Neteru** *"Supreme"* Which Is Also A Title Is Plural As Well. It Is Used In General When You Are Not Specifying Any Person, Or Group. Example: Oh Supreme Protect Us *"Yaa Neteru Harusna"*. You Are Not Talking About Anyone In Particular.

Ques: What Are The Spiritual Benefits Of Changing My Name?

Ans: You Will Build Whole New Ether Around Your Name.

Keep In Mind However, That When Changing Your Name From English To A **Tama-reye** "Egiptian" Name, There Are Several Important Facts To Be Aware Of. Have You Ever Noticed How The Sound Of Someone Saying Your Name Triggers Certain Centers Of Emotion (Depending On The Way It Is Said)? It Can Make You Cringe With Fear, Or It Can Fill You With Overwhelming Delight.

Remember The Anticipation Of Christmas Day, When All You Thought About Was Inspecting The Gifts Under The Christmas Tree? Remember Waiting To See Which Ones Had "Your" Name On Them? These Feelings That You Associate With The Name You Receive At Birth Have Been Built Up Inside Of You For Years. This Is Why It Is Important That You Choose A Name That Is Close (In Sound) To The One You Have Now.

You Become Reborn When You Take On A New Name!!! It Is Your Obligation To Build A Positive Ether And Establish A New Beginning Around Your New Name. One Must Develop An Emotional Attachment For Their New Name That Is Equally Arousing As Your Dead Name. You Must Build A Whole New Ether Around Your Name!!!

The Devil Also Realizes The Importance Of A Name. They Know That On The Last Day The Name Of The Righteous Will Be Called From The *"Book Of Life."* That's Why They Created "Tombstones", To Record Their Names. These "Tombstones" Are Symbolic Of "Pages" Or "Stone Tablets" Similar To Those That Were Used To Record The "Commandments". Many People Place These Tombstones On Their Graves So That They Can Be Remembered Here On **Ta** "Earth"! Because They Know Their Names Will Not Be In The "Book Of Life."

To The World, Your Name Is Not Only A Word Or Symbol Denoting You, It Should Define You. As **Tama-Reyeaat** "Egiptians", Our **Renaat** "Names" Tell The World That They Can Define Some Aspect Of Our-Story, Culture, Etc. It Should Define Your Relationship With Your Way Of Life As To Who You Are, And With Your Creator, The **Supreme Being**.

In **Nuwaupu** Or **Nuwaupic**, Any Name That Is Classified As A Title Usually Carries With It, Responsibility That One Must Uphold And Live Up To The Meaning Of That Title. For This Reason, It Is Suggested That One Not Choose A Title For A Name Unless They Are Confident That They Can Live Up To That Title. What I Am Saying Is, Change Your Name If You Have Chosen A Title Name. Why? Because You Will Be Called By Your Name On Judgment Day, (By That I Mean, What Your **Ba** "Soul" Has Reaped While On **Ta** "Earth").

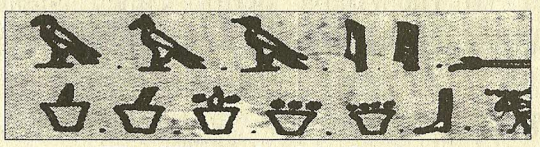
The Traditions, Customs, And Way Of Life, Which Were Given To You By Your Forefathers, Were Stripped From You By The **Tam'a-hu**. They Called You **"Slim"**, Which Is Short For The Arabic Word **"Salaam"** Meaning ***"One Of Peace."*** He Called You **"Coon"**, Which Was From **"Kosmosan"** Or **"The Universal Being Which Came Into Existence First – Kun/Kuwn".** He Called You **"Nigger"** And In The Arabic Language Is Pronounced **"Nijjar"** Which Was Taken From The **Nuwaupic** Word **"Zenge"**. There Is No **"G"** Equivalent In The Arabic Language; It's A **"J"**. The Word Comes From The **Tama-reye** "Egiptian" Dialect, **"An Najaar"**, Meaning ***"Carpenter."*** Words Were Distorted From The Original Language And Are Used Today As English Words; I Hope You Overstand The Importance Of Learning **Nuwaupic** And Accepting Your Name In It's Proper Form.

You Must Overstand That There Were No **B's** In The Ancient Semetic Or Hieroglyphic Alphabet That Was Added By The Greeks. So Every Place You See A **B** It Was A **P**, And Every Place You See An **O,** It Was A **U.** Many Places That You See An **E,** It Could Have Been An **I** Or A **Y**. There Was No **V**, There You Would Find A **W**. Often Times **K** Was Mistaken For **Q**, Or **Kh.** Example, **Khemi**, Is Often Written **Kemet**. **Dj** Is Often Written As **Z**, As In **Zed** For **Djed**.

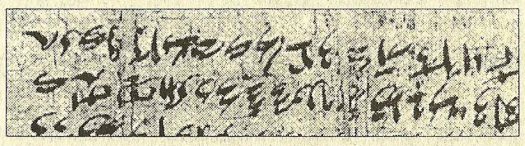
Ques: So What Is The Original Language?

Ans: The Original Languages Were Not Latin And Greek, Nor Arabic And Hebrew. All Of These Are Products Of The **Ancient Egiptian Mystery Language *"Nuwaupic"*.** When You Hear People Speaking English, You Are Trained To Think Englishman, When In Fact All The Americans Who Are Speaking English, Are Not Speaking The English That Is Spoken In England And Europe. The Americans Speak A Very Bad Dialect Of Broken English, And In Fact Are Speaking An Unintelligent Slang That Makes It Very Hard For Them To Learn Another Tongue. And This Was The Plan To Keep You From Learning Your Own Ancient Language, But That Day Has Ended With The Rebirth Of Nuwaupic. Most Languages Come With A Culture. The Languages **Aramic, Syriac, Ancient Babylon, Ugarit, Chaldean, Akkadian,** All Use The **Cuneiform** Script, And Are All Of The Semetic Tongues And Far Eastern And Western Dialects Of The Native Americans. Thus Are Thought To Be The Language Cuneiform, Which Is One Of The Scripts Used In Ancient **Egipt**, And Is In Fact The Written And Spoken Language Of The Neteraat *"Egiptian Supreme Beings"*, All Having Their Roots In **Nuwaupic**, Called Hieratic Phonetically And Hieroglyphics Scripturally.

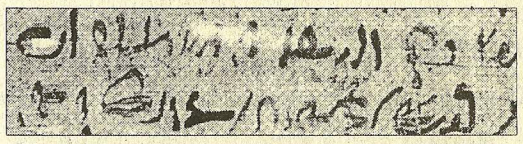
The Cuneiform Script



The Hieroglyphic Script

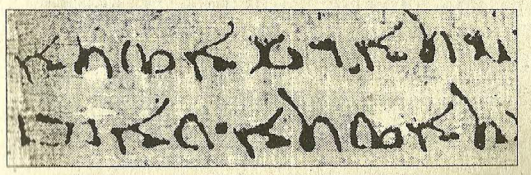


The Hieratic Script



The Demotic Script

The Greek Script, Which Is Hieratic



The Syretic Estranglo Script, Which Is Hieratic

In **Nuwaupic**, Our Ancient Egiptian Mystery Language, We Use The Original Hieroglyphic Script, However, Through Our Transition, We Used The **Nuwaupic Script Demotic,** Which Is Similar To The Arabic Script, Called Nubic And The **Nuwaupic Rizq Script Heretic,** Which Is The Rizqian Script.

Ques: So Where Did The Religions Of Today Get Their Names From?

Ans: The Christians, Muslims, Jews, And Any Other Religion Got Their Names From The **Tama-reyeaat** "Egiptians" **Renaat** "Names". You Have Names Like **Thomas,** Which Came From The Egiptian Name **Thoth-Mose; Harry,** Which Came From The Egiptian Name **Hare-Re; Mary,** Which Came From The Egiptian Name **Ma-Re; Ramsey,** Which Came From The Egiptian Name **Rameses; Horace,** Which Came From The Egiptian Name **Horus; Set,** Which Came From The Egiptian Name **Seth; Iris,** Which Came From The Egiptian Name **Isis; Amanda,** Which Came From Egiptian Name **Amun; Eunice,** Which Came From The Egiptian Name **Unas; Antany,** Which Came From The Egiptian Name **Atun;** And I Can Go On And On. As I Have Said Many Times All Of The Religions Of The World Today

Were Grafted From The Egiptians Way Of Life And Their Rituals. They Took Bits And Pieces Of What They Wanted, And Changed Them Around To How They Wanted It. Till This Day, You Can Find All Of The Different Religious Ceremonies On The Walls Of Egipt. Everything They Do Goes Back To Egipt. However, In Egipt There Is No Such Thing As Children's Names Or Babies Names Because They Grow Up Using The Same Names. The Egiptians Were Only Called By Their Whole **Ren** "Name", Not Their First Or The Last.

Ques: What Ceremonies In Modern Religions Were Taken From Ancient Egiptian Rituals?

Ans: Every Religion, Secret Society, Society Itself, And Almost Every Aspect Of Everyday Life Known Today Was Built On Egiptian Mysteries And Practices. These Practices, Ceremonies, And Rituals Were Grafted Into The Three Major Monotheistic Religions Of Today Called **Judaism, Christianity,** And **Muhammadism** (Islam).

For Example, In Judaic Teachings, The **Menorah**, Which Is The Parchment For The Seven Candles That Are Lit On The Sabbath (A Holy Day Up Kept In Remembrance Of Their Yahweh – God), Was Grafted From The Ancient Egiptian Practice Of Free Will Offering Tables, Before The **Supreme Beings** (Ancient Ones Or Deities) Symbolically To Make Their Stay Comfortable In The Hereafter And As Gratitude For All The Wealth And Abundance Of Prosperity They Were Bestowed With.

This Was Not The Only Practice That Was Copied From Ancient Egipt Into Judaism Or Christianity; They Are All One And The Same. The Ceremony Of **Muwulithm** *"Circumcision"* Was Also An Ancient Practice That All Egiptian Citizens, Including The **Waab** "Priest" And **A'aferti-aat** "Pharaohs", Were Obligated To Have. It Was The Law.

Christianity, The Second Of The Triad Of Religion, The Blinding Spell, Also Grafted It's Customs And Beliefs From Egiptian Mysteries Through Judaism. One Such Ceremony Is Baptism. Cleanliness In Ancient Egipt Was A Must. The Priest Of Ancient Egipt Were Required To Take A Bath Seven Times A Day, And Remove All Hair From Their Bodies Before Entering The Temples. The Practice Of Baptism Is An Ancient Ritual For Purification, Upon Initiation Into Sacred Orders, Which Therein The Initiate Was Given A Name. It Was Believed That One Who Sets His Heart On Becoming Clean, Becomes Clean As Soon As He Consents In His Heart To Shun Temptations That Bring His Soul In The Water Of Pure Reason. Within Every Religion It Exist, Whether It Is Called *Baptism, Anointment, Shahadah,* And So Forth. There Remains One Thing They All Share, Which Is The Meaning

Baptism, Or The Act Of Cleansing Oneself Before Entering Into Holy Ground, Or State Of Mind, Is A Universal Custom That Has Not Changed For Centuries. From The Aztec's In America, Roman Catholics In Europe, Hindus In India, To The Orient, Where The *Monks* Keep This Tradition To This Day In The Same Exact Manner As The Ancients Did, The Ceremony Has Not Changed.

In The Religion Of Christianity, The Practice Of Priest Wearing Long Robes, And The Women Wearing Headpieces (Also Done By Orthodox Jewish Women Who Shave Their Hair And Wear Wigs) Also Came From Ancient Egipt.

Figure: The Wigs Worn By The Ancient Egiptians Is Where Modern Day Wig Wearing Came From

As A Matter Of A Fact, The Headpiece Worn By The Pope, The Head Priest Of Roman Catholics, Is The Same Exact Headpiece Worn By The Pharaoh **Ankhanton**. They Don't Hide The Fact That Everything Came Out Of Egipt; They Just Don't Want You To Know The Truth, Which Begins To Unfold And Is Very Clear To See Once You Do A Little Research.

And Last But Not Least, Muhammadism (Islam), The Religion That Professes Their Belief That There Is No Other God Then Allah, Has Also Grafted Every Ceremony Within

Their Religion From Ancient Egipt, Literally From Head To Toe. The Ancient Egiptians Were The First To Wear Long White Robes Made Of Cotton As A Symbol Of Purification In Ceremonies And Rituals, As Seen On Almost Every Temple In Ancient Egipt.

Even The Head Dress That Is Worn Today By Muslims And Nuns Throughout The World Is An Ancient Egiptian Headpiece Called The **Namuz**, As Seen On Most Pharaohs Of Ancient Egipt.

Everything That You See And Know Is From Your Ancient Ancestors, Watered Down Throughout Time By The Hands Of Men To Suit Their Selfish Needs, Wants, Likes, And Dislikes. There Is Literally *Nothing New Under The Sun.* The Knowledge Is Here For You. This Is The Key To Breaking The Spell. The Truth, And *Only The Truth Can Make You Free!* This Is Why I, **Amunnubi Raakhptah,** As Your **A'aferti,** Am Here To **Unveil The Past, Emphasize The Present,** And **Blue Print The Future.** Retracing And Foretelling **Our-Story** That Takes Us Back To Our Ancient Ones. Not **His-Story,** That Only Takes You Back As Far As His Time. Once You Know Your Past, Your Future Is Clear Ahead.

Ques: In Some Names, How Do You Determine Whether They Are Male Or Female Names?

Ans: The Common Names Were The Simplest, Often Being No More Than Adjectives Like **User** ***"Strong"*****, Nedjem** ***"Sweet"*** And **Nefer** ***"Good*** Or ***Beautiful"***. When Used As A Girl's Name, An Adjective Should Take The Feminine 'T' Ending. Example: **Neter** (Masc) **Netert** (Fem) However, Any Adjective Could Be Linked With Other Words, Or The Name Of A Supreme Being To Create A Phrase, Such As: **Mutnefret** ***"Mut Is Beautiful, Or Beautiful As Mut"*** Or **Amen-User** ***"Amen Is Strong"***. Some Names Ran In Families, And It Was Common For Children To Be Named After Their Parents. In Some Tombs, There Were Several **Aruaat** "Children" Of The Same Parents Who Were Given The Same Names. The Ancient Egiptians Liked To Keep Honored Names In The **Hau** "Family". This Tradition Of Giving Children The Family Name Is Still Practiced Today. For Example: A Married Couple With The Last Name Of Jones, Will Give Their Children A Chosen First (And Sometimes Middle) Name, Like John (Robert) Jones. Notice The Last Name Is Not A Chosen Name, But A Family Name.

Ques: If My Mate And I Both Have Egiptian Renaat "Names", And The Last Part Of Our Egiptian Renaat "Names" Are Different, How Do We Choose A Name For Our Children?

The Ancient Egiptian Order Does Have A System Of Naming Adults Between The Ages Of 18 And Up. However, It Is Important That **Aruaat** "Children" Under The Age Of 18 Have Egiptian Names As Well. Under **The Ancient Egiptian**

Order, There Is A New Order Called **"The Young Egiptian Order Of Horus" (Y.E.O.H.)** For Ages 7-17. If You Have A Child In This Age Group, He Or She Can Receive Their Own Egiptian Name Just By Joining **Y.E.O.H.** However, If You Have Children Under The Age Of 7, **The Ancient Egiptian Order** Is Offereing You A Way To Name Your Children And Give Them Egiptian Names Starting At Birth. You Should Choose The First And Second Part Of Your Child's Egiptian Name, And The End Of His/Her Name Can Either Be The End Part Of The Mother's Name Or The End Part Of The Father's Name.

At Birth, Your **Khat** "Body" Was Named By Your Physical Family, And Now It's Time For Your **Ba** "Soul" To Be Born And Re-Named By Your Spiritual Egiptian Family. The Following Is A List Of Names, Which Are Also Considered Attributes. For Those Who Are Not Members Of The Ancient Egiptian Order, These Attributes Can Be Attributed To You And Should Only Be Taken As **Renaat** "Names" If You Can Fully Live Up To The Title You Have Chosen. And Those Of You Who Are Members Of The Ancient Egiptian Order, The Following Single Renaat "Names" Below Can Be Chosen To Form Your Child's Name With The Meaning Of Your Choice. As Egiptians "Nuwaupians", It Is Your Duty To Raise Your Child To Live Up To The Name You Choose. These Names Are Not Games. They Are Sacred And Should Be Taken Very Seriously.

Afterward

After Reading This Scroll You Should Have A Better Outlook On How Important It Is To Choose A Good Name, Not Only Because It Sounds Good To The Ear, But More Importantly What It Means; Because Your Name Should Be Something That You Strive To Live Up To. This Is Why You Should Give Back The **Tama'hu's** Name. Stop Taking On European Names And Slave Names. If You Want To Go Back To Your African Culture You Can Choose An African Name. If You Want To Go Back Further To Your Original Egiptian Family Names, You Can Choose Any Of The Egiptian Names Listed Within The Scroll. When You Are Choosing A Name, Make Sure That The Tonation Of That Name Is Correct Because Tones Have A Lot To Do With Your Communication With **Pa Neteraat** *"The Supreme Beings"*. For Instance, When A Person Calls Your Name (Depending On The Emotion Behind It Or How It Sounds) That Person Can Affect You. Make Sure Your Pronunciation Is Correct. Tones Are Used To Attune The **Ba** *"Soul"*. Many People Use The Sound **Aum** Or **Aun**. If You Tune In To The Wrong Tone, You Will Not Make That Link With The **Neteru** *"Supreme"*. **Aun** Is The Sound Of Nature Known To The Mystics In All Ages. You Must Re-Attune Your **Ba** *"Soul"* To The Sacred Tone Of The Planet **Ta** ***"Earth"*** As Well As The **Kuwn** *"Universe"*. All Things Are Created In Tones And Octaves Of Energy And Vibrations From The Source **Amun**. In The **Ren** "Name" **Amun** Itself, You Again See The Tone Of The Universe As **An, Aun**, Or **Awn**. With The Right Amount Of Input, It Will Open Up Centers In The Brain. These Centers Will Cause All Your Glands To Vibrate On A Certain Frequency, And Be Able To Pick Up And Receive Telepathically, With This The **Neteraat** *"Supreme Beings"* Will Speak Directly To You In What Steps To Take, Where To Go, When Times Get Beyond Repair And You Manifest. You Must Learn To Perform All Of Your Rituals, Chantings, Recitations And Initiations In Our Own Language ***Nuwaupic*** *As We Did Thousands Of Years Ago. You See, Your Language Is A Language Of Tones, English Is A Dialect And A* Conglomeration Of Many Languages And It Has No Tones In It. As Long As You Are Speaking A Language Other Than Your Own,

The Supreme Grand Hierophant
